

APICS Fox River Chapter CPIM Recertification Exam Course

APICS has developed a CPIM Recertification Exam for those candidates with expired CPIM designations. Those who qualify can renew their certification by passing one exam. This limited time offer will be available until December 31, 2011.

The APICS Fox River Chapter has designed an accelerated CPIM Recertification Review Course to prepare candidates for the Recertification Exam. The course consists of four modules. The course will be taught by an APICS Master CPIM Instructor.

Course Outline

Module 1: Master Planning of Resources (MPR)

Module 2: Detailed Scheduling and Planning (DSP)

Module 3: Execution and Control of Operations (ECO)

Module 4: Strategic Management of Resources (SMR)
